McIntosh MS 750 Music Server MS750 for sale online | eBay

Concluding the time we spent with the McIntosh Labs Music Server MS300, we can say that the company from New York State did a good job to make a statement of what a music server should be. Control functions are in abundance just as are connectivity options. The user interface is friendly, logical for non-computer freaks and easy to grasp.

I so wanted to become a McIntosh convert. I did find a lot to love about the MS750 and the McIntosh experience. The MS750 was far and away the easiest music server to use that I've incorporated into my system. Its dead-simple user interface should appeal to the computerphobic audiophile, while being sophisticated enough that the computer-savvy ...
