We like to think
of it like this:
Men are like
waffles; women
are like
spaghetti. When
we say that men
are like
waffles, we do
not mean that
men “waffle” on
all decisions
and are
generally

unstable. What we mean is that men process life in boxes. If you look at a waffle, you see a collection of boxes – all separate from each other – that make convenient holding places. That is

typically how
men process

life.
