After reading up on Franks v8 swap and all of the little issues he's having with fitment, I'm wondering if this engine (the Vortec 4200/ LL8/ 4.2L) would be a better choice for a swap into my XJ. I see that the front diff is integrated into the pan; perhaps a new one, with a relocated oil p/u could be fabbed pretty easily? The information I've found so far is telling me that this engine (the ...
