How can human service professionals promote change? ... The cases in this book are inspired situations and are designed to encourage the reader to get low cost and fast access of book

MICE - GORDON REECE - Bloggy Come Lately

Reece has a strong visual sense and does a neat job of ratcheting the tension, but a shortage and Shelley's histrionic adolescent narration create an overall mood of near-comic caricature. roar and worms turn in a bare-bones moral fable that, despite visceral episodes, creates little

Gordon Reece - Wikipedia

Gordon Reece is a writer/illustrator based in Bendigo, Victoria (Australia). Born in England in 1

studied English Literature at Keble College, Oxford, and worked as an English teacher and a personal injury lawyer before deciding to dedicate himself full time to writing and illustrating in 1999.

Mice by Gordon Reece – Aussie Reviews

Gordon Reece. Mice. An electrifying psychological thriller about a mother and daughter pushed to their limits. Shelley and her mom have been menaced long enough.

Mice Summary and Analysis (like SparkNotes) | Free Book Notes

Book Review: Mice by Gordon Reece. Shelley describes her and her mother as mice in a world full of predators; they don't fight back, they don't complain. The girls who bully Shelley aren't prosecuted by the police or punished at their school, and instead of fighting back, Shelley and her mother wince. They hide and cover like mice in a corner.

Gordon Reece (Author of Mice) - Goodreads

From page one of Mice by British author Gordon Reece, I found the main characters sympathetic and repulsive. Fortunately, this was the author's intention, otherwise why show teenaged Shelley and her mother in that light? Shelley tells us they never assert themselves. She says they are mice. "Mice are never rude. Mice are never assertive" (2).

Mice Gordon Reece

"Truly remarkable..Mice is a book many will without question be talking about." – Daily Express

Book Review: Mice by Gordon Reece - You Think Too Much

Debut novelist Gordon Reece has written a taut tale of gripping suspense, packed with action, comic and terrifying. Shelley is a spellbinding narrator, and her delectable mix of wit, irony, and innocence transforms the major current issue of bullying into an edge-of-your-seat story of family violence, family loyalty, and the outer reaches of right and wrong.

Mice: A Novel: Gordon Reece: 9780670022847: Amazon.com: Books

Reece describes them as "mice" over and over again (really, every other goddamn page), but it doesn't ring true. Mother mouse is supposedly a former top lawyer, who left her job at her h request and then got screwed when he left her for a thirty year younger woman.

His new novel, MICE, (Allen and Unwin, 2010), has sold to twelve countries so far including USA (Viking) and UK (Macmillan).

MICE by Gordon Reece - LitStack

If there is a caveat, it is that Reece labours the metaphor of the vulnerability of mice and the predatoriness of cats. We get the point from the off but this is a small blemish on a truly remarkable debut. Mice is a book many will without question be talking about.
