The purpose of argumentative essays is to provide the audience with explanations regarding a particular perspective of an argument. This type of paper is very similar to a persuasive essay, seeing as both are meant to offer explanations about a particular side of a topic. However, unlike persuasive essays, argumentative essays must not describe the personal beliefs of the essay writer.

Social and emotional competence provides a foundation for academic success (Zins et al., 2000). Although research suggests that course completion and grades in middle school are the strongest predictors of high school performance and graduation (Farrington et al., 2012), there is increasing evidence that social and emotional competence is also critically important.
