Fully integrated dishwashers The entire front of the appliance is concealed either behind cabinet panelling or a Miele front made from stainless steel with Clean Touch Steel™ finish. This allows the appliance to be perfectly integrated into the design of your kitchen.

Miele Dishwasher G 841 SC PLUS User Guide | ManualsOnline.com

About 100 years ago washing was done by hand. But as early as the beginning of the twentieth century the first washing machines were developed and significantly simplified the daily routine of housewives. Since then, many technological innovations that represented fundamental milestones in laundry care have been developed by Miele.
