### Milton Solution - Milton Antibacterial Solution

The Milton Method of cold water sterilisation has been trusted in homes and hospitals since 1916. Clinically proven to kill 99.9% of germs, Milton Antibacterial tablets and solutions are ideal for disinfecting baby feeding accessories, breast pump parts, bottles and soothers, to name a few.

### Safety Data Sheet - General Sanitation

Because of the salt in the solution in the bottle, the child will usually spit the fluid out, or, at worst, be sick. If they are not sick, there should be no need to worry but a concerned parent can give the child a drink of milk. Because milk is a protein it will neutralise the Milton solution.
