Mistakenly Meant For You Part

But not Ms. pajama_addict of Mistakenly Meant For You. I was hooked from Chapter 1 up to the last Chapter. No dull moments. No unwanted drama. The narration was superb and it felt as though I was part of the story while I was reading it. The lines were well-thought of and the two main leads were just flawless.

Is 'by mistake' a right way to frame a sentence? - Quora

Part of the problem, says Gitkos, is that people have no understanding of what work email is, how it's designed, and why. First off, it's supposed to be about allowing the business to function better so it can make more money. A crazy concept, to be sure, but when you boil it down to that one truth,...

2. Accidentally Replying All. This mistake comes in two scenarios: One, you send something that's not confidential, but not exactly meant for everyone to read—such as an email to your boss about vacation time. Or two, you send the whole company a snarky comment about a colleague that was only meant for a close friend to see.
