EASA Module 16 Piston Engines Book, eBook, Charles L ...

I wish to add Module 16, piston engines, to my EASA Part 66 B1-1 licence, the plan is to end up with a B1-1 and a B1-2 licence. Does anyone have any recommendations on the best way to study for the exam? Take a course and which training school Vs. self study? Any one have any relevant study material, books, notes, etc. they wish to pass on or sell?
