Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Montana Alpine Guides - 2019 All You Need to Know BEFORE ...

Our experience with Montana Alpine Guides was fantastic! I have climbed outside a little bit, but it... was my climbing partner's first outdoor climb. MAG provided all the necessary gear. Our guide, Sam, took us up to Gallatin Canyon, gave us some important reminder lessons, assessed our abilities, and then led us up to the summit, where we could see tiny cars driving the canyon and tiny rafts ...
