Book Review: "Moonshine: A Cultural History of America's ...

It's a concise, seriously-researched book on the cultural history of moonshine (white whiskey). Written well, and filled with stories from its Colonial beginnings, through prohibition, the early days of NASCAR, and today's artisan distilleries, this book is a delight to read, and is a topic proven worthy by this author for serious attention in the study of American culture.

The History of Moonshine:
Southern Roots and Tradition
Run Deep. As Southerners
pride themselves in their
heritage, moonshine was not
only a stance against
taxation, it was a stance
against assimilation and
standing strong in the
cultural ways they had been
raised upon.
