read for me. 100% up my alley. It's the cover for Magic to Brew which immediately drew me in. I am a sucker for pastels, soft edges, and worlds where mythological creatures live a normal life alongside humans.

Moonstruck, Volume 1: Magic to Brew by Grace Ellis ...

MOONSTRUCK Vol. 1 was a lot of fun, and I appreciated the representation of different races, skin tones, body shapes, genders, and sexualities. I thought the art style and colors used for the main narrative were beautiful and suited the whimsical quality of the story. However, parts of the plot felt muddled and the pacing was not appropriate.

is a funtastic character-driven urban fantasy adventure that needs to slide into your TBR like um yesterday. Inhabited by supernatural denizens, legendary creatures, and the unfazed non-magical humans who peacefully live among them Blitheton is a fantastical, lively world just begging to be explored!

Moonstruck, Volume 1: Magic To Brew (Image Comics) will feel very familiar to fans of the coffee shop AU, though it's an original creation. The all-ages title stars a group of magical creatures, three of whom are baristas, in an urban fantasy setting packed with adorable background characters and really great puns.

Volume 1 follows the gang as they struggle to find and battle a magician who steals Chet's magic at a free community magic show. Chet deals with an identity crisis, as he doesn't know who he is if he isn't a monster anymore. While Julie and Selena are hot on the case, things also heat up between them, and eventually boil over.
