Moral relativism - By Steven Lukes - Gaille - 2010 ...

In his book, "Moral Relativism," Steven Lukes advances the idea of "externalism," challenging the notion that our beliefs are based on reason. Externalism credits external influences such as "the powerful" in the society or "social interests" or "institutional imperatives" or "social networks" in explaining how we come to believe what we do.

Moral Relativism — Steven Lukes - Biblioklept

176 I-STEVEN LUKES. to identify their moral beliefs and arguments. And finally, there appear to be no distinctively moral criteria of rationality, that is, principles specifying what are to count as good reasons for moral judgments or actions, which aren't internal to a particular moral belief system.

Moral Relativism Steven Lukes

Although he is very aware (and succinctly delineates) the issues of “cognitive relativism” that underpin cultural, moral, and social relativism, the refreshing part of Steven Lukes’ Moral Relativism is that he applies a sociological, as well as philosophical, perspective to the issues. Without surrendering the truth in relativism, he also recognizes the need for some kind of objective standard in ethics.
