Before he was famous . A new book celebrating James Hunt reveals an unexpected side to one of Britain's most flamboyant racing stars. Writing a book about James Hunt had one obvious difficulty; how to find something new to say about one of Formula 1's most recognisable and compelling characters on the 40th anniversary of his championship-winning season.

Ford Motor Company: The Early Years & Ford Model T

Another early internal combustion, petroleum fueled motorcycle was the Petroleum Reitwagen. It was designed and built by the German inventors Gottlieb Daimler and Wilhelm Maybach in Bad Cannstatt, Germany in 1885. This vehicle was unlike either the safety bicycles or the boneshaker bicycles of the era in that it had zero degrees of steering axis angle and no fork offset, and thus did not use ...
