The film is also way too long. Done right, a whole hour could have been shaved off, and more time spent on the code story itself. Nicolas Cage was not a ...

The moment you decide to make "Windtalkers" a big-budget action movie with a major star and lots of explosions, flying bodies and stunt men, you give up any possibility that it can succeed on a human scale. The Navajo code talkers have waited a long time to have their story told. Too bad it appears here merely as a gimmick in an action picture.
