Enjoy our ultimate guide to multiple choice questions. While it may be the question type that's most straightforward, understanding the different types of multiple choice question and their uses is more nuanced. Learn how to leverage these structured survey responses effectively today for FREE.

Multiple-Choice & Free-Response Questions in Preparation ...

Ultimately, free responses are a better assessment of deeper understanding than multiple choice questions cannot provide, because they are in no way prompting you towards the correct answer. The answer that you produce to a free response question is completely student generated and cannot use "guesstimating" or process of elimination.
