The Basics of Music Production: The Complete Guide

Mastery, as commonly defined, is when you've practised your craft for so long that it becomes almost a completely sub-conscious act. You produce music effortlessly. In my mind, some "masters" of electronic music production would be people like BT, Above & Beyond, Mat Zo, Koan Sound, and so forth.

How to get started making music

The basics of a composition or song are its constituent parts i.e. the instruments (guitar, drums, bass, keyboards and so on) and the vocals. These are the 'tracks' and the core of the music production process is simply how you get the sounds together for each track, arrange them, mix them together and make them sound 'professional'.
