I currently journal once in the morning and once in the evening, and since using a journaling template, I 've been consistent. I use Evernote to record my entries and use two tags:

“ Planner ” for my morning journal and “ Journal ” for my evening Journal. This is what my morning journal looks like: My Morning Journal.

Printable Writing Journal Ideas

Keeping a science notebook encourages students to record and reflect on inquiry-based observations, activities, investigations, and experiments. Science notebooks are also an excellent way for students to communicate their understanding of science concepts, and for teachers to provide students with feedback.
