It's easy to search

Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-

hand menu, but unfortunately there's no support for other formats. There's also

Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF

format). It's a nice feature
that enables you to
customize your reading
material, but it's a bit of
a hassle, and is really
designed for readers who
want printouts. The easiest
way to read Wikibooks is
