National Geographic Kids Readers: Planets Printables ...

I guess that NONE of the National Geographic Kids Readers seem to include bibliographies, citations and suggestions for further reading, and while this massively bothers me in and of itself, with Elizabeth Carney's Planets, the shortcomings of not featuring such supplemental information and research possibilities really have hit home for me so to speak.

National Geographic Kids Readers: Planets : Elizabeth ...

But what exactly is a planet? It seems like an easy question. After all, you're standing on one right now! But the scientific definition was fairly loose until recently.
