The Bradley Method is the best way to conquer your fears of vaginal childbirth by giving you tons of information about the risks your doctor will never tell you about associated with various medical interventions and by teaching you through practice relaxation and pushing stage exercises to deal with your pain naturally without dependence on harmful drugs.

Natural Childbirth the Bradley Way : Revised Edition by ...

Bradley method of natural childbirth. The Bradley method emphasizes that birth is a natural process: mothers are encouraged to trust their body and focus on diet and exercise throughout pregnancy; and it teaches couples to manage labor through deep breathing and the support of a partner or labor coach.

Natural Childbirth the Bradley Way book by Susan McCutcheon

The Bradley Method® teaches natural childbirth and views birth as a natural process. It is our belief that most women with proper education, preparation, and the help of a loving and supportive coach can be taught to give birth naturally. The Bradley Method® is a system of natural labor techniques in which a woman and her coach play an active part.

Natural Childbirth the Bradley Way: Revised Edition by ...

Easy to absorb information on the Bradley Method for natural childbirth. I took a Bradley class and found this to be a great supplement. In some ways it was better than the class (the instructor didn't stick to the standard Bradley curriculum).
