Our goal: to create the standard against which all other publishers' cooperative exhibits are judged. Look to \$domain to open new markets or assist you in reaching existing ones for a fraction of the cost you would spend to reach them on your own. New title launches, author appearances, special interest group/marketing niche...\$domain has done it all and more during a history of presenting over 2,500 successful exhibits. \$domain has the proven approach, commitment, experience and personnel to become your first choice in publishers' cooperative exhibit services. Give us a call whenever your ongoing marketing demands require the best exhibit service your promotional dollars can buy.

Eye Discharge. Normal Guinea pigs excrete a milky white liquid which lubricates their eyes and is used to help them clean their faces. After the eye fills up with the white fluid, the guinea pig will then take their front paws and make washing motions. This may happen several times per day although you may never even notice.
