Finally I want to see our characters done properly, it was a bit silly having the main Necron leader (Imotekh) only buff a single unit in our entire index. I eagerly look forward to the codex and blowing off the dust of my Necrons so they can finally get back into 8th edition.

Codex: Necrons (5th Edition) - Warhammer 40k - Lexicanum
A codex (often pluralised as codexes by Games Workshop, though the grammatically correct pluralisation is codices), in the Warhammer 40,000 tabletop wargame, is a rules supplement containing information concerning a particular army, environment, or worldwide campaign.. Codexes for particular armies were introduced for the second edition of the game. The third edition rendered these obsolete ...

NEW Necron 8th Edition Codex Review

The 8th edition Necron codex is terrible. I was pretty anxious about the 8th edition and was hopeful that it would help resolve some canon conflicts, and bring back some of the 3rd edition themes. Sadly, GW has disappointed on both ends. Here are the issues with the codex:

Necrons in 8th Edition. Let's be honest, what do you think? Over the weekend I had my brothers around and we got to talking about 40k and as avid players since the 6th Edition rulebook came out, we actually started casually buying models round the time the 5th edition rulebook first dropped but didn't play until later, there was a heated debate ...
