In my opinion a >complete< guide to Epson should take you through the >complete< process of color digital printing on Epson printers and be littered with actual examples, good and bad, of all the resolution, ink type, paper type, printer model and color management option combinations that produce a digital color print. My copy is going back.

New Epson Complete Guide to Digital Printing [BOOK REVIEW]
When I received Rob Sheppard's book, New Epson Complete Guide to Digital Printing (published in 2008), I decided to set up my printer with Sheppard's methods. This book is aimed at the Epson consumer and while most of the information is applicable for most Epson printers, the printer photographs and detailed screen shots are of Epson's newer models (3880, 7880. 9880, etc.).
