New Holland (847) - NH ROUND
BALER (12/80-6/84) Parts Diagrams
I have a chance to buy a Sperry New
Holland 846 round baler. Does
anybody know what size rolls this
baler will make? I prefer smaller. I
have a 45 HP Ford 861 with remote
hydraulics that I would pull this with. I
think the baler is of the chain type
rather than belts. Is one type better
than the other? Thanks for any input.
Dave

Roll-Belt™ Round Balers - New Holland Agriculture

That new holland 848 will be the best baler you'll ever own providing you take care of it. I have a 850 NH manual tie since 1980 and it is powered by a 80 John deere and i haven't missed a beat in 27 years. I'm on my second set of chains all the way through it and it don't owe me a dime. The key to the chain balers is watch the sides of your bale don't worry about the middle of the bale, it looks ...
