News : the politics of illusion (Book, 2016) [WorldCat.org]

For over thirty years, News: The Politics of Illusion has not simply reflected the political communication field—it has played a major role in shaping it. Today, the familiar news organizations of the legacy press are operating in a fragmenting and expanding mediaverse that resembles a big bang of proliferating online competitors that are challenging the very definition of news itself.

News: The Politics of Illusion by W. Lance Bennett - Goodreads

Reviews. " News: The Politics of Illusion is a smart, provocative introduction to media and American politics. Bennett argues that the American political information system – with news at its center - is broken, with serious consequences for democracy. Bennett lays out his case, and invites readers to make up their own minds." "This book is written...
