While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Nexus Confessions: Volume One: Various: 9780352340931 ...
There's a known issue affecting some Nexus 5 users where the speaker volume is fairly low. This could be attributed to a manufacturing defect, which you could possibly fix with a hot needle, but if your built-in speakers and headphones seem muted, don't take your Nexus apart just yet.. If your music is playing too softly on the built-in speakers and you're having slightly muted audio on your ...
