The Department of Education initiated the Learners' Information System (LIS), an online facility that provides for the registration of learners enrolled in public schools. Since its installation, the LIS has allowed the Department to generate the total public school enrolment based on the actual registration of learner

DepED Learner Information System (LIS) User's Guide
Modular connectors are designated using two numbers that represent the maximum number of contact positions and the number of installed contacts, with each number followed by P and C, respectively.For example, 6P2C is a connector having six positions and two installed contacts. Alternate designations omit the letters while separating the position and contact quantities with either an x (6x2) or ...
