*F100 Concise Instructions | byThom Filmbodies | Thom Hogan
The F100 is the world's second-best 35mm SLR camera. I was happy to pay full price, about \$1400, in 1999, for mine. I could have paid not much more for the F5 at the time, but I preferred the newer F100.. As of 2007, I got a Nikon F6 which is a somewhat better camera, but way more expensive. If money matters, get a used F100 for a few hundred dollars and you'll have gotten the deal of the century.*

Repair of Nikon F100 | Photrio.com Photography Forums

The issue is not access to parts by the general public or independent camera repair companies. As per my OP, the issue is that Nikon itself no longer manufactures parts for one of its top film cameras - the F100 - only 10 years out from production. I sent my F100 to Nikon's main repair facility in New York and Nikon could not repair it! But Authorized Photo Service in Morton Grove, Illinois, can!
