I have a Nissan qashqai 2013. The red engine light has come Hi Gerry . There is no reset as such, let me please explain what this light means and what you have to do to have this light switch off , If any warning lights are on this is a reason for a MOT failure . The check engine light is yellow, meaning you don't have a great problem, this comes on when the management system (ECM), encounters a malfunction within the engine and transmission system.
