Given that the world has moved well beyond the period of Western colonialism, and clearly into a durable period in which non-Western cultures have gained their political autonomy

Why is there no non-Western international relations theory ...

Some non-Western states are plausibly bidding for great power standing. Given these conditions, our question is 'why is there no non-Western international theory'. We are as intrigued by the apparent absence of theory in the non-West as Wight was by what he considered to be the absence of international theory in general.

Non-Western Theories of International Relations

A decade ago in 2007, we published a forum in International Relations of the Asia-Pacific (IRAP) on 'Why is there no non-Western IR theory?'. We focused that question on Asia, and assembled a group of authors to set out the state of IR in various countries and sub-regions across Asia.

Why Is There No Non-Western International Relations Theory ...

More than 40 years ago, in a provocative essay that has since become a classic in the field, Martin Wight (1966: 20) addressed the question of 'why is there no international theory?' Wight asserted that 'international theory, or what there is of it, is scattered, unsystematic, and mostly inaccessible to the layman'.
