Now We Are Dead is a spinoff novel from the bestselling Logan McRae series by Stuart MacBride. The novel features some of the usual characters from the series but McRae's character appears in only two scenes with the story revolving around Roberta Steel. The novel has been described as being "lighter" and "more fun than the violence and misery of MacBride's blacker thrillers".

Now We Are Dead

NOW WE ARE DEAD is a spinoff from the Logan McRae series featuring the glorious DS Roberta Steel. I say glorious in a "slightly ironic / well of course she's a bit gross but she's unapologetically over the top about everything / has a heart of gold / seriously / if you can't handle your women strong, forceful, and a bit swearsy what are you doing When I read this back in January I posted a review.

With Now We Are Dead, Stuart Macbride is back to his best. DI Steel is a great character and this story really does her justice. We see her soft side for a change too, which makes her more believable.
