We are a general bookseller, free access download ebook. Our stock of books range from general children's school books to secondary and university education textbooks, self-help titles to large of topics to read.

Textbook of Neonatal Resuscitation (NRP) Seventh Edition

The new 6th edition textbook with accompanying DVD reflects the 2010 American Academy of Pediatrics and American Heart Association Guidelines for Neonatal Resuscitation. The new, extensively updated Neonatal Resuscitation Program materials represent a shift in approach to the education process, eliminating the slide and lecture format and emphasizing a hands-on, interactive, simulation-based learning environment.
