Visual narrative - Wikipedia

A visual narrative is a type of story that is told primarily or entirely through visual media, such as photographs, illustrations, or video. There are no restrictions on the types of narratives that can be made in a visual manner — a visual narrative can be fiction or nonfiction of any genre. Some such narratives are even used primarily for practical purposes in order to communicate the same ...

Narrative | Definition of Narrative by Merriam-Webster

Narrative art is art that tells a story, either as a moment in an ongoing story or as a sequence of events unfolding over time. Some of the earliest evidence of human art suggests that people told stories with pictures. Although there are some common features to all narrative art, different cultures have developed idiosyncratic ways to discern narrative action from pictures.
