On Violence by Hannah Arendt, Paperback | Barnes & Noble®
Violence, she sums up, "can destroy power; it is utterly incapable of creating it." Writing at the end of the 1960s, Arendt was critical of the advocacy of violence by blacks critical of Martin Luther King's non-violent movement, and she took issue with the advocacy of violence by the Left in the 1960s. On Sartre she writes:

On Violence by Hannah Arendt - Goodreads

Arendt's book begins by commenting on the paradoxical nature of violence during the Cold War. She says, "The technical development of the implements of violence has now reached the point where no political goal could conceivably correspond to their destructive potential or justify their actual use in armed conflict."

Violence: the view of Hannah Arendt

In her classic work 'On Violence', Arendt touches on the relationship between power and violence. Quoting Voltaire, she says the nature of power essentially "consists in making others act as I choose." If such a definition is true, and "if the essence of power is the effectiveness of command, then there is no greater power than that which grows out of the barrel of a gun," Arendt writes.

Violence Archives - Hannah Arendt - Contemporary Thinkers
Hannah Arendt was a humanist thinker who thought boldly and provocatively about our shared political and ethical world. Inspired by philosophy, she warned against the political dangers of philosophy to abstract and obfuscate the plurality and reality of our shared world.

Hannah Arendt on the Link Between Bureaucracy and Violence
An analysis of the nature, causes, and significance of violence in the second half of the twentieth century. Arendt also reexamines the relationship between war, politics, violence, and power. "Incisive, deeply probing, written with clarity and grace, it provides an ideal framework for understanding the turbulence of our times"(Nation).
