LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Organic Chemistry 9th Edition McMurry Pdf.pdf - Free Download
I bought the first edition of McMurry's Organic Chemistry and loved it. It has become thicker and it has many more pages than that first edition, but of course it covers many more topics. This book has been my personal favorite over the years. Other OC textbooks that I like are Fox and Whitesell's and Bruice's.
