We are very grateful to Wolfgang Gu for correcting our solutions and providing many of his own, and to Ebbie Hendon for correcting our solution to Exercise 2.7.1.

Syllabus for Poli Sci 118: Game Theory in Political Science

A Course in Game Theory presents the main ideas of game theory at a level suitable for graduate students and advanced undergraduates, emphasizing the theory's foundations and interpretations of its basic concepts. The authors provide precise definitions and full proofs of results, sacrificing generalities and limiting the scope of the material in order to do so.
