***Paint contractor's manual (Book, 1985) [WorldCat.org]
I'm a small painting contractor, been around several years, and I'll put my work up against anybody's. This book gave me some new ways of looking at things. This is the third book I've bought on paint contracting and it is by far the most common sense type book I've read. No, it isn't highly***

sophisticated. I wasn't looking for sophistication.
