Panasonic PT-F100NTU and PT-F100U Menus. The menu system of the F100 series looks very similar to other Panasonic projectors of the last couple of years. Overall, it's a good menu layout. Type is a little small, possibly making it a bit hard to read if the person controlling the projector is a ways from the screen.

The gateway to Panasonic PT-DZ870 Series projector information. A bright 10,000 lm, stunning colors and highly flexible projection bring flagship quality in a 1-Chip DLP[] projector.

Panasonic Projector Manuals - MyProjectorLamps.com

Panasonic states in their manual that the door should be kept closed, except when using the control panel. There are two screw thread adjustable front feet below the front right and left of the F100 series projectors, (and a single rear foot). Normally, next we go to the top of the projector where most projectors have their control panels.
