**Division of Code Enforcement and Administration  
Abstract. We study employment and new hires among high-growth firms (HGFs) in the Swedish knowledge-intensive sectors 1999-2002. Using matched employer-employee data, we find that HGFs are more likely to employ young people, poorly educated workers, immigrants, and individuals who experienced longer unemployment periods.**

***If this has happened, use the end of a pen to raise the green guide gently, just enough to allow the paper stop slider to pass underneath it, and let it drop into the notch. When you move the paper stop, the paper stop slider should move along with it. If it does, your printer will sense the paper size correctly.***
