Hey guys I'm looking into getting an amp to go with my Onkyo SC-5507, I really have been looking for a good priced XPA-5, mainly just waiting for it to go on sale at Emotiva.

However I came

Online Library Parasound 5250 User Guide

across the other day a Parasound 5250 for around the same price of the XPA-5. Now this unit normally costs...

The Parasound 5250 includes useful custom-installation features, such as selectable auto power-on from a 12-volt trigger or by sensing the presence of an audio signal.

Online Library Parasound 5250 User Guide

The latter circuit has an adjustable signal-sensitivity control and automatically turns off the amplifier after 15 minutes if no signal is present.
