Une strophe est un groupement organisé de vers pouvant comporter une disposition particulière de rimes. Les strophes sont séparées, dans un poème tel qu'édité actuellement, par une ligne blanche. Dans des éditions anciennes, l'existence de la strophe pouvait n'être repérable que par sa cohérence interne (par exemple par la ponctuation ou la disposition rimique).

Charles Pierre Baudelaire est un poète français, né à Paris le 9 avril 1821 et mort le 31 août 1867 à Paris. Il est l'un des poètes les plus célèbres du XIXe siècle : en incluant la modernité comme motif poétique, il a rompu avec l'esthétique classique ; il est aussi celui qui a popularisé le poème en prose.
