Dena Freeman (ed.). 2012. Pentecostalism and Development ...
From time immemorial, the socio-economic development of Ghana is dependent on factors such as employment. The rate of unemployment in a country like Ghana was highly devastating before the emergence of Pentecostalism. Most Pentecostal churches have helped in employing most people through the establishment of schools, NGOs, and hospitals.

Pentecostalism and Development: Churches, NGOs and Social ...
On the other hand, development work urges Pentecostal communities to recast their activities in the logic of formal organisation and accountability (proposals–grants–projects). On the ground, these logics are constantly subverted as beneficiaries construe FBOs as patrons and deploy Pentecostal identities for mediating access to FBOs and the resources they command.

Pentecostalism and Development: Churches, NGOs and Social ...
Development was founded on the belief that religion was not important to development processes. The contributors call this assumption into question and explore the practical impacts of religion by looking at the developmental consequences of Pentecostal Christianity in Africa, and by contrasting Pentecostal and secular models of change.
