Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied.

Pharmacy Management, Leadership, Marketing and Finance  
Pharmacy Management, Leadership, Marketing, and Finance follows in the footsteps of other general management and leadership books with one central exception: teaching leadership and management specifically for the profession of pharmacy. This book hopefully serves as an answer to the dearth of pharmacy-specific management texts.
