Philips VCR DVD Players for sale | eBay

This is a nice combination of VCR and DVD and a great space saver.

Unfortunately, 7 months after purchase, the DVD stopped opening and closing. Philips has a 91-day to 1-year warranty and will prorate the product for replacement. You send them the machine and a check and they send you a new one. Not good pricing on exchange, either.

Philips DVD750VR - DVD/VCR combo
Specs - CNET

The Philips DVD player is designed with a four head stereo hi-fi VCR, allowing for VHS playback at qualities higher than that of most independent VCR players. The Philips DVD750VR is designed with a coaxial digital audio that allows for Dolby Digital, 3D sound, and DTS surround sound to allow for not only high quality video processing, but audio processing as well.
