Philosophy of Counseling As professional counselors, we are compromised with the activities we made to achieve greater performance and satisfaction with our patients. Despite this, they are a lot of factors that influence this process making it more complex. It is essential to have as professionals a balance between the commitment with our clients and our personal aspects, including self-care ...

Essay: Personal Counseling Philosophy | 16 pages, APA
My belief is that I am there for the client not vice-versa. My vision includes myself making a sincere effort to always remain open, reflective, self-evaluative, caring, and respectful to myself and to all my clients. I believe that good counseling comes when counselors are able to periodically evaluate themselves in relation to the needs of clients.

My Personal Philosophy in Counseling Example | Graduatway
The counselor must be skilled at tailoring his/her theoretical method to match the client in the moment. A client-centered philosophy such as mine endeavors to create a counseling environment and develop an alliance within which client revelation and change and personal growth are realized. Ideally, truth becomes self-evident.
