DoD Manual 5200.08 VOLUME 3
It must be stressed that this handbook addresses integrated physical security. Physical security is the protection of buildings and all their assets, including people. Integrated physical security recognizes that optimum protection comes from three mutually supporting elements: physical security measures, operational procedures and procedural security measures. That is what this five-step methodology is based on.

PHYSICAL SECURITY PROGRAM April
9, 2007

In this light, this Strategy belongs and applies to the Nation as a whole, not just to the federal government or its constituent departments and agencies. The September 11 attacks demonstrated our national- level physical vulnerability to the threat posed by a formidable enemy-focused, mass destruction terrorism.
