Physics In Minutes Giles Sparrow

Giles Sparrow studied Astronomy at University College London, and Science Communication at Imperial College, before embarking on a career in publishing. He is an author, consultant, and contributor on numerous bestselling astronomy and popular science books, including Cosmos , The Stargazer's Handbook and Hubble: Window on the Universe .

Physics in Minutes on Apple Books

The book is written by Giles Sparrow, who studied Astronomy at Imperial College in London, the top engineering school in the UK. I happened upon

errors in the book's explanation of Waves and Resonance - the book confuses the physics term "harmonic" with the musical term "overtone." The book numbers harmonics as if they were overtones.
