I need to take Physics in order to meet a requirement for a program I want to apply for. I'm not that good at math and my friends say that Physics is really difficult. I'm trying to decide if I should take it at school or online? I've taken multiple classes online at flvs so I know how to manage time. I just want to know if it will be easier online.

You may not know this, but Yahoo Answers is the same as cheating. If you are requesting answers or help from someone else, then it is NOT your own work anymore, and more importantly, you haven't learned anything. Academic Integrity issues, such as cheating, are not handled lightly at FLVS. Using work from another source is compromising integrity.
