Jaguar Mk2 - HS8 SU Carburettors with manual choke - YouTube

It seems that the choke needle is always down (it doesn't move up when the power is applied) so I guess it is broke. Any idea of the carb type fitted to the scooter and cheap places to buy either a complete spare carb with choke, or just a replacement choke or if anyone knows if a manual conversion is available. Thanks again.

Manual Choke Conversion Kit (CVK 18-30mm) - Distribution ...

Hi guys, I've heard that I can get a auto to manual choke conversion kit from Repco. I have a D15B4, but I assume the process is very similar on any carbied engine. So my question is has anyone done this conversion them selves and did it make a difference with your engine running rich/smoking? Cause I have to decide whether to try get mine working, have a feeling it is the auto choke gone.
